

# The Nordic Municipal Engineering Committee Meeting 1-17

TPJ Inseneribüroo office, Ahtri 6a, Tallinn Estonia

24 May 2017

## Minutes

### Participants

- Sweden Jan G Nilsson
- Iceland Haraldur Birgir Haraldsson
- Estonia Ilmar Link, Reio Vesiallik, Marrit Murre

#### 1. Opening of the meeting

Ilmar Link opened the meeting and welcomed Nordic guests.

#### 2. Presentation of the delegates

The delegates introduced themselves. There were participants from Sweden, Iceland and Estonia.

#### 3. Previous minutes from Kiruna 09.11.2016

The Minutes were accepted.

#### 4. Tallinn road construction projects financed by structural funds

Reio Vesiallik, deputy head of Tallinn Municipal Engineering Services Department, introduced three biggest and challenging construction projects in Tallinn financed by structural funds:

- Haabersti intersection - <https://www.youtube.com/watch?v=5oH1TOScjl>
- Gonsiori street - <https://www.youtube.com/watch?v=KITTcGDosBo>
- Reidi road - <https://www.youtube.com/watch?v=EQlrgkHHUP4>

#### 5. Ensuring and acknowledging the professional competences of the responsible specialists working in the municipal engineering field

Ilmar Link raised a topic about occupational qualification system and introduced the system in Estonia started at 2015 (presentation is enclosed).

Question remained, how does the occupational qualification system works in public service area in Nordic Countries.

#### 6. Objectives 2017

- Crisis Management conference

Will be cancelled.

- Greenary maintenance guide

Will be cancelled.

#### 7. Other issues

- Jan G Nilsson announced that the Swedish Association has changed its name and is now Föreningen Sveriges Stadsbyggare/Swedish Public Works Association (SPWA). He also invited everybody to attend at their annual conferences 18-19 September 2017 in Gothenburg.
