Training Advantages	1.waste management and environmental strategies	2. Land survey	3. New urban sustainable development

<p>Organization Profile</p> <p><i>(including Business Domain, Expertise, Faculty, Capacity for arranging meals, accommodation and Transportation in less than 800 Chinese characters)</i></p>	<p>Swedish Public Works Association (SPWA) was founded in 1902. It's purpose is to promote development, training, cooperation and information for it's members that mostly is employed by Swedish cities and municipalities all over Sweden. They are often top or mid level managers but also skilled specialists in different areas for example city development, trafic, planning, environmental strategies etc. to fulfil the needs that the citizens require. Each city/community in Sweden has a political local goverment (city board) that make the decisions upon budgets etc. Therefore our members is used to cooperate with and serve this local goverments.</p> <p>SPWA organizes annually several courses and conferences on it`s own or in collaboration with other organisations. Thereby SPWA has a lot of experience and knowledge how to organize and implement seminars, courses, study visits in order to fulfil our members needs for their professional development.</p> <p>SPWA is organized in committés. Each committé specialize in certain topics or areas for example management, construction/building and management, land survay, streets, city planning, development, trafic, sustainable city design/planning and international collaboration.</p> <p>We are editing our own publication "stadsbyggnad" which is an important source for information and knowledge. We also have a website primary designed for our members needs. (https://sverigesstadsbyggare.se/)</p>
